Premium Assistance Program Opens Door to Individuals

Applications are now being accepted for the second phase of a plan to provide health insurance to more Oklahoma citizens that qualify. The O-EPIC Premium Assistance Individual Plan (IP) enrollment officially kicked off Tuesday, January 9.

The O-EPIC IP is available to Oklahomans who fall into one of three groups: working adults who are not eligible for an O-EPIC employer-sponsored qualified health plan and work for an Oklahoma small business with 50 or fewer employees; temporarily unemployed adults who are eligible to receive unemployment benefits through the Oklahoman Employment Security Commission; or working adults with a disability who work for any size employer and have a “ticket to work”.

Additional qualifications include being an Oklahoma resident, between the ages of 19 and 64, not currently enrolled in or have an open application for Medicaid or Medicare, provide proof of U.S. citizenship (or qualified alien), provide Social Security numbers for all household members, and have an annual gross household income within the qualifying guidelines.

O-EPIC IP is designed to provide Oklahoma individuals with health insurance for themselves and their spouse if needed. The employee’s household must be at or below 185 percent of the federal poverty level to participate in the program.

Premiums for the O-EPIC IP plan are based on income with premiums for an individual ranging from \$0 to \$49.33 per month and for a couple, \$0 to \$66.44. Participants are also required to make co-payments for services, such as \$10 per office visit and \$10 for a brand prescription.
